

KICK OFF TO *Spring* BULL SALE

March 20, 2012

**View the bulls at the Farm
Sale at Grande Clairiere Hall
2:00 pm**

Welcome to our 3rd Bull Sale!

We are proud to offer another powerful group of bulls. We were very pleased with our first two sales, **a huge thank you to all our buyers!** The performance and conformation of this year's bulls is even more exciting.

Our goal remains the same... we are dedicated to maximizing the performance of commercial cattle. We are committed to selling bulls that will put money in your pocket when you sell your calves in the fall. The profit is in the pounds that go to market. We believe these bulls will do that! Although we strive for performance and gains, calving ease is also a crucial factor in our selection. You are welcome to come out to see our newborns and see for yourself. The hybrid vigour and the homozygous polled are a bonus!

We are commercial producers improving the herd sires for commercial cattle producers.

Our Wheatland Bull 786T is proving himself to be an up and coming elite Simmental sire. He is the full brother to the great Wheatland 680S. His performance and calving ease are outstanding. We are offering his progeny to you, the commercial producers. Our 786T females are surpassing our expectations. They are stylish females that have great production and performance with reduced feed inputs. The goal is to wean the calf at 60% or more of the mother's weight. These 786T Bomber and Roughrider heifers are now calving, and we are very pleased. They have beautiful udders and great mothering instincts with a great disposition.

Roughrider 2T and 786T-Bomber's progeny have made us proud with another successful fall show run. At the Manitoba Livestock Expo Roughrider daughters were Champion Pen of Open Heifers, Champion Pen of Bred Heifers! At the Yorkton Harvest Showdown, in the Futurity Show; 786T-Bomber's First calf heifers were Reserve Champion (Champion pen of opens in 2009 & bred 2010).

In 2011 we offered the first Bull Wintering program. This special program offers over-wintering of your bull here at Maple Lake Stock Farms. We offer this service to you at the cost of feed and yardage. The bulls will be at Maple Lake from November 15th until April 15th. This offer is only available to Maple Lake raised bulls. We are very excited to offer this type of service to our buyers! Currently we have 10 bulls on this program!

We have something really good going on here! You best come out and see for yourself!

We will be happy to show you our bull pen, sires, dams, and the replacement heifer pen.

The Bertholet's

SALE INFORMATION

When:

MARCH 20, 2012 AT 2:00 P.M. SHARP!

Come early to view the bulls, then head to the hall for lunch!

Where:

Viewing @ the Farm • Sale @ Grande Clairiere Hall

Due to the unreliability of March weather in Manitoba, the sale will be held in the Grande Clairiere Hall via PowerPoint. Each bull will be sold individually, as the video is displayed. Bulls will be penned at the farm for viewing prior to the sale.

All bulls will be semen tested prior to the sale.

Sale day phone:

Clair Manshrek	(204) 522-5169
Warren Speers	(204) 724-3285
Gerry Bertholet	(204) 741-0340
Andrea Arbuckle	(204) 483-0319
House	(204) 858-2086

Auctioneer:

Ward Cuttler (204) 851-2614

TERMS & CONDITIONS

Terms:

Each animal will sell to the highest bidder no by-bidding will be permitted.

DISPUTES - bidding will be reopened between the parties involved. The auctioneers' decision on all disputes will be final. All sales are in Canadian funds. Exchange rate is as of the day of the sale.

Finance Program:

It is encouraged that amounts be paid in full on sale day. A minimum of \$2000/bull is required, sale day. The remaining amount can be left with a post-dated cheque for October 1, 2012.

Sight-Unseen Terms:

Sight-Unseen and/or over the phone purchases will be taken sale day. Please speak with one of the representatives (Clair Manshrek, Warren Speers or Gerry or Andrea) prior to sale day to have your selections made, as cell service is unreliable in the hall.

Bull Housing & Delivery:

Bulls not being taken sale day will be kept at Maple Lake Stock Farms until May 1, 2012, free of charge and delivery will be made at the convenience of Maple Lake Stock Farms. After May 1, 2012, yardage will be charged at \$3.00/head/day and must be picked up by the buyer.

Insurance:

Insurance will be available sale day from Kirkup Agencies - David Kirkup.

- It is encouraged that all purchases be insured.
- All bulls kept at Maple Lake after May 1st MUST be insured for the time they are at Maple Lake Stock Farms.

Bull Wintering Program:

This special program will offer over-wintering of your bull here at Maple Lake Stock Farms. We will offer this program to you at the cost of feed and yardage (may vary from year to year). The bulls will be at Maple Lake from November 15th until April 15th. This offer is available to Maple Lake raised bulls ONLY.

Liability

All persons attend the sale at their own risk. Any accident or loss of property is not the responsibility of Maple Lake Stock Farms.

American Visitors:

The nearest port is the Goodlands Port; it is only open 9am-4pm. The Boissevain Port is a bit further east but is open 24 hours. If you are a citizen of the United States; you do not need a passport to enter Canada. However, you should carry proof of your citizenship, such as a birth certificate, certificate of citizenship or naturalization, as well as photo identification.

More information is available at: www.cbsa-asfc.gc.ca

..... YEARLINGS ~ WHEATLAND BULL 786T

SEMEN PACKAGES

3 Packages 10 Doses

- WHEATLAND BULL 131L { NICHOLS BLK DESTINY D12
WHEATLAND LADY 908J
- WHEATLAND LADY 351N { HART JACKPOT J310
WHEATLAND MISS 917J

We purchased 'Bomber' from Wheatland Cattle Co. in 2008. He is a full brother to the famous Wheatland Bull 680S. He is built like a tank; moderate framed, super stout with tonnes of meat and muscle. He has a fantastic disposition and electric hair. He is Homozygous Polled and Heterozygous Black. His dam, Wheatland Lady 351N, has earned her spot as one of Wheatland's top donor cows. In 2009 he bred 50 heifers naturally, as a yearling! We are extremely happy with his daughters. They have perfectly tidy square udder that milk like crazy!

EMBRYO SIBLINGS

- WHEATLAND BULL 786T { WHEATLAND BULL 131L
WHEATLAND LADY 351N
- MAPLE LAKE RICHELLE 5099R { MVF KRUGERRAND 83N
PRAIRIELANE 8116 ROSEBUD 1098

Here we have 4 full sibs on offer. Wheatland 786T stamps them all the same, thick, thick and thick! These boys are moderate framed and really deep sided. Their dam, 5099 is on of our top Angus cows and a donor cow that has produced! We have 5 daughters in the herd, and are very happy with them! In 2012 we got 7 embryo calves from her to SAV Pioneer. Stay tuned for these prospects next year!! 5099 is also the dam of 1099.

PRAIRIELANE 9012 ROSEBUD 2005

PRAIRIELANE RITO 6060-9012
PRAIRIELANE 7081 ROSEBUD 9002

This is a super thick made, stout bull with a ton of hair. He is a Roughrider son out of a 10 year old purebred black angus cow. We have sold 3 maternal brothers to this guy, Clair Manshreck, Gavin MacKenzie and Darcy Campion.

The Critical Wildlife Habitat Program promotes twice-over rotational grazing on native prairie pastures in southwest Manitoba.

A grazing agreement with the CWHP offers a cost-share up to \$3500 per half section for fencing or water development, and program staff work with producers in developing the system for their land.

Past cooperators have found improved pasture condition and cattle performance.

A TESTIMONY TO OUR FARM

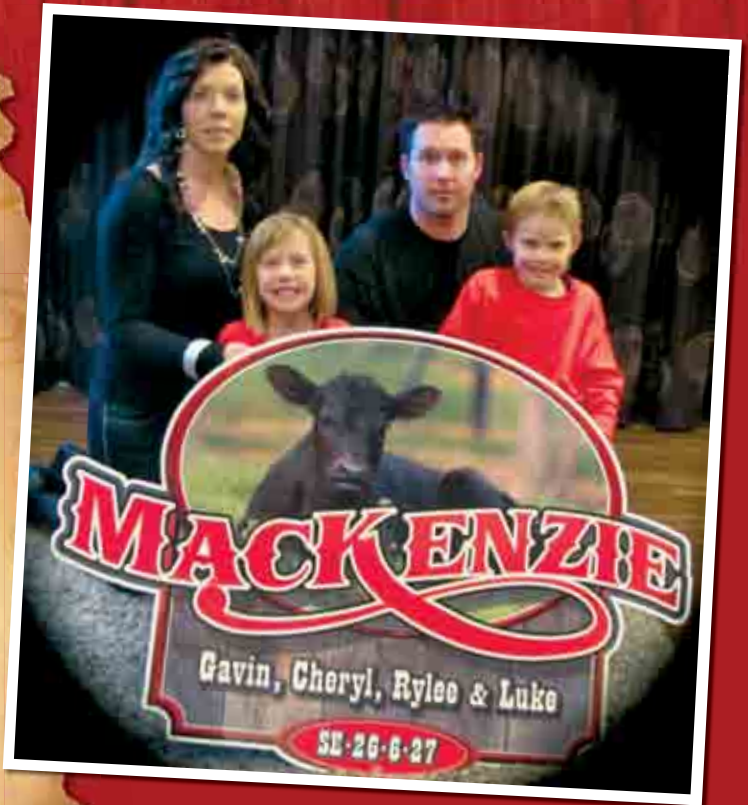

In 2006 we started buying bred heifers and cows from Gerry and each year since then we have added more females, today our entire commercial herd consists of over 50% Maple Lake influence.

This past spring we purchased three yearling bulls. This is when Gerry offered the custom feeding program to us and we did not hesitate to take advantage of it.

This works great for us we don't have to winter yearlings with my mature bulls and they are on a feed ration designed for yearling growth at this crucial time in a bull's development.

We recommend every buyer to take advantage of this great option!

The Mackenzie Family
Gavin, Cheryl, Rylee and Luke
